Backpack Blower Series 4282 Professional Use

Built with the same features as the BR 500, this professional backpack blower has excellent blowing power and greater fuel efficiency— thanks to our low emissions engine. Fitted with a rounded tube design that keeps you from getting hung up on trees or shrubs, this gas leaf blower also boasts lower vibration levels and a simplified starting procedure. A good value backpack blower for the demanding professional landscaper and grounds maintenance crew.

Standard Features

- Powerful and fuel-efficient, low-emission engine with improved durability
- Three-position adjustable blower tube with increased wear area nozzle
- High quality, durable harness with dual adjustments and STIHL logo
- Simplified starting procedure
- Single-handed operation
- Reduced vibration levels
- Comfortable weight

Optional Features

- Hip belt (4282 710 9100)
- Curved nozzle (4282 708 6320)
