Backpack Blower Series 4282

Professional Use

The STIHL Magnum™ professional backpack blower offers the standard STIHL proven fuel efficiency — 28% greater as compared to competitive models, and impressive power-to-weight ratio, and also features an improved low-emission engine for increased durability; a new nozzle with an extended wear area, and a newly designed nylon harness with high wear resistance.

Standard Features

- Powerful and fuel-efficient, low-emission engine with improved durability
- Three-position adjustable blower tube with increased wear area nozzle
- High quality, durable harness with dual adjustments and STIHL logo
- Simplified starting procedure
- Comfortable weight
- Single-handed operation
- Reduced vibration levels

Optional Features

- Hip belt (4282 710 9100)
- Curved nozzle (4282 708 6330)

IMPORTANT INFORMATION

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
