STIHL Edger Series 4190 Professional User

Make the difference between a good lawn and a great lawn with the professional FC 100 STIHL edger. A powerful curved shaft design, backed by a large displacement low-emission engine, gives this lightweight edger increased control and balanced comfort for creating precision cuts

Standard Features

- Powered by a low-emission engine
- Lightweight, balanced design makes it comfortable to use
- Heavy-duty skid plate
- Adjustable depth wheel
- Uses 50:1 fuel mix, just like other STIHL products, no separate oil supply to maintain

Optional Feature

- 3.8 mm thick, heavy-duty edger blade (4133 713 4102)

IMPORTANT INFORMATION

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
