Loop Handle Trimmer

Series 4180

Professional Use

With a high powered low-emission engine, the FS 100 RX STIHL trimmer is designed for professional dedicated line head use. With one of the best power-to-weight ratios in its class, this loop handle grass and weed trimmer has quick, smooth acceleration and lower vibration—lightweight and made for user comfort and maneuverability.

Standard Features

- Powered by a low-emission engine
- Quick, smooth acceleration
- TapAction™, 2-line AUTOCUT® head
- Lower vibration for comfortable operation
- Gearbox and guard design reduce the weight and improve comfort and maneuverability

IMPORTANT INFORMATION

WARNING! Improper use of any trimmer/brushcutter can cause serious or fatal injury. Read, understand and follow all safety instructions in your instruction manual. To reduce the risk of injury from blade contact, circular saw blades may be used on FS brushcutters that have a limitstop, a bicycle handle and double shoulder harness and not on FS brushcutters with a "J" handle or loop handle. Other rigid blades may be used on FS brushcutters having a bicycle handle, a "J" handle or a loop handle equipped with a barrier bar. To reduce the risk of eye injury always wear proper eye protection. Always use the appropriate deflector for the type of cutting attachment, as explained in your instruction manual.

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
