Loop Handle Trimmer

Series 4180

Professional Use

With smooth, swift acceleration, the FS 110 R grass and weed trimmer is fuel efficient and powerful, thanks to its revolutionary low-emission engine design. This STIHL trimmer has the ability to use different cutting attachments to adapt to various tasks.

NOTE: Barrier bar and large deflector must be attached when using a grass blade with loop handle.

Standard Features

- Powered by a low-emission engine
- Quick, smooth acceleration
- Lightweight, balanced, low-profile design makes it comfortable to use
- TapAction™, 2-line AUTOCUT® head
- Lower vibration for comfortable operation

- STIHL PolyCut™ 20-3 head (4002 710 2189)

IMPORTANT INFORMATION

WARNING! Improper use of any trimmer/brushcutter can cause serious or fatal injury. Read, understand and follow all safety instructions in your instruction manual. To reduce the risk of injury from blade contact, circular saw blades may be used on FS brushcutters that have a limitstop, a bicycle handle and double shoulder harness and not on FS brushcutters with a "J" handle or loop handle. Other rigid blades may be used on FS brushcutters having a bicycle handle, a "J" handle or a loop handle equipped with a barrier bar. To reduce the risk of eye injury always wear proper eye protection. Always use the appropriate deflector for the type of cutting attachment, as explained in your instruction manual.

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
