Extended Reach Hedge Trimmers

Series 4230

Professional Use

With a long reach for tall hedges, the fixed length HL 100 K (0°) STIHL hedge trimmer has more power, increased torque and a low-emission engine. With long running times and a shorter shaft length, you can now cut those out-of-reach areas.

Standard Features

- Powered by proven low-emission engine
- Fixed 0° cutting head or head that adjusts 270° (135° working range) in 13 locking positions without tools
- "K" version has shorter shaft length
- 135° head folds flat for transport and storage convenience

Optional Feature

- HS Resin Remover and Blade Center (0782 420 1002)
