Extended Reach Hedge Trimmers

Series 4230

Professional Use

Make quick work of your next hard to reach hedge trimming job with the HL 100 K (135°) STIHL extended reach hedge trimmer. Featuring a shorter shaft length and 135° adjustable working blade range with 13 lockable points, including a 270° storage and transportation point — you get more power and increased torque.

Standard Features

- Powered by low-emissions engine
- Fixed 0° cutting head or head that adjusts 270° (135° working range) in 13 locking positions without tools
- “K” version has shorter shaft length
- 135° head folds flat for transport and storage convenience

Optional Feature

- HS Resin Remover and Blade Center (0782 420 1002)

IMPORTANT INFORMATION

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
