Hedge Trimmer

Series 4237

Professional User

Featuring a new design that's faster, lightweight and has low vibration, the HS 86 hedge trimmer features two models: the HS 86 T, in a 30" or 40" blade length, and the HS 86 R, in 30" single-sided blade lengths. While the "T" model has a single-sided blade and increased speed specially designed for trimming and sculpting applications, the "R" model has increased torque for cutting thicker shrubs. Both are designed to deliver power to get the job done fast.

Standard Features

- Lightweight and well balanced design with low vibration levels
- Exhaust emission directed away from the operator
- Tip protector
