Series 4180

Professional Use

STIHL's most powerful KombiMotor. This low emissions engine has long running times and is geared toward professionals that handle a variety of tasks.

Standard Features

- Powered by a low-emission engine
- Patented lubrication technology meets EPA emission standards

Optional Feature

- **Barrier bar (4130 791 4400) must be attached when using HL or FH attachments.**

NOTE: STIHL KombiMotors and STIHL KombiSystem attachments are sold separately.

IMPORTANT INFORMATION

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
