STIHL FARM BOSS®

Series 1127

Mid-Range Use

Our number one selling chain saw, enough said. Designed for rugged homeowner or landscape and farm use, the legendary STIHL FARM BOSS® is a true work saw. With plenty of power to spare, you can let the MS 290 do the cutting for you— from limbing, to felling and bucking larger trees into firewood.

Standard Features

- Toolless fuel and oil caps with retainers
- IntelliCarb™ compensating carburetor
- Adjustable automatic bar and chain oiler
- Carburetor preheat shutter for summer/winter operation
- Side-access chain tensioner
- Forged connecting rod with caged needle bearings (like professional saws)

IMPORTANT INFORMATION

WARNING! The occurrence called "kickback" can cause serious or fatal injury. Always read the instruction manual carefully before using your saw. STIHL uses a green and yellow color-coding system to help you select a powerhead, bar and chain combination that complies with the kickback requirements of ANSI Standard B175.1 (gasoline-powered saws) and §30 of UL 1662/ ANSI Standard B175.1 (electric chain saws). Ask your STIHL dealer about safe operating procedures and the advantages of the STIHL Quickstop® chain brake, STIHL second chain braking system (Q), STIHL reduced kickback bars and STIHL low-kickback saw chains.

STIHL recommends the use of green reduced kickback bars and green low kickback chains on all STIHL chain saws.

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
