TS 420 Cutquik®

Series 4238

Professional Use

The TS 420 STIHL Cutquik® cut-off machine — one of the best we've ever built. Helping you work longer and more comfortably, this cut-off machine comes with a 14" wheel, delivering a unique blend of performance and efficiency so you get the job done right. With the revolutionary X2 air filtration system, an anti-vibration system, and a lightweight design, you get low maintenance and more maneuverability. Its advanced engine technology also increases fuel efficiency and reduces emissions.

(Abrasive wheel included. Diamond wheel (shown) is sold separately.)

Standard Features

- X2 low-maintenance air filtration system
- No need to clean filters (See instruction manual for details)
- Newly designed anti-vibration system reduces vibration up to 43% over previous models
- Powerful and fuel-efficient, low-emission engine
- Emissions reduced up to 44% compared to previous models
- IntelliCarb™ compensating carburetor
- Lightweight and well balanced compact top handle design
- Decompression valve for easy starting
- Semi-automatic belt tensioner
- Reversible cutting arm for inboard or outboard cutting
- Able to be mounted on cart with adapter kit
- Integrated water attachment

IMPORTANT INFORMATION

WARNING! Never use carbide-tipped, wood cutting or circular saw blades on cut-off machines. They can cause severe personal injury or death from reactive forces, blade contact or thrown tips. Never cut wood of any type.

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.

STIHL products sold through U.S. STIHL dealers are for distribution in the United States only.
