STIHL HomeScaper™ Series Trimmer

Series 4144

Occasional User

Ideal for homeowners with large or difficult areas to trim, the straight shaft FS 56 C-E STIHL HomeScaper Series™ trimmer has low emissions and a fuel efficient engine, so you have fewer fuel stops during the workday. This trimmer also has the Easy2Start™ system, an ergonomic bike handle, and is smooth running — all features designed for comfortable use. A new starting system, which helps prevent flooding, also makes this trimmer very easy to get started.

IMPORTANT INFORMATION

WARNING! Improper use of any trimmer/brushcutter can cause serious or fatal injury. Read, understand and follow all safety instructions in your instruction manual. To reduce the risk of injury from blade contact, circular saw blades may be used on FS brushcutters that have a limitstop, a bicycle handle and double shoulder harness and not on FS brushcutters with a "J" handle or loop handle. Other rigid blades may be used on FS brushcutters having a bicycle handle, a "J" handle or a loop handle equipped with a barrier bar. To reduce the risk of eye injury always wear proper eye protection. Always use the appropriate deflector for the type of cutting attachment, as explained in your instruction manual.

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand and follow carefully the operating and safety instructions in your instruction manual before using such products.
