STIHL HomeScaper Series™ ShredderVac/Blower Series 4241 Occasional User

Get ready for our new fuel efficient STIHL HomeScaper Series™ SH 56 C-E for occasional users. Powered by a low emissions engine, this handheld shredder vac/blower features the STIHL [Easy2Start™ system](#), making starting almost effortless. While a specialized shredder blade on the fan wheel reduces yard waste, this shredder vac also converts easily into a handheld gas leaf blower. Fitted with a semi-automatic choke and stop switch for smooth starts, this blower automatically resets to the starting position to help prevent accidental flooding.

Watch a about our new line of STIHL blowers & shredder vacs

Standard Features

- Powerful and fuel-efficient, low emission STIHL HomeScaper Series™ engine
- Special Shredder blade on fan wheel reduces yard waste (14:1 mulching ratio for dry leaves)
